ENGLISH AT ELEGANTIA

We place much emphasis on creating an authentic English environment and applying language across the curriculum. With the provision of multiple learning opportunities, students can act as active skillful learners of English and treat English learning as an active means of acquiring world knowledge and life-long commitment.

Bridging Program does far more than getting our brilliant newcomers ready for an exciting new chapter in their journey to learn; it helps them connect to each other, to the school, and to the world.

S1 Bridging Program

English learning can be an enjoyable experience! At Elegantia, we ensure learning is always a delightful journey. With a wide range of experiential learning activities, students truly enjoy every opportunity to embrace new horizons in ways they never thought possible before.

Lunchtime Activities

As per our promise, "You will have everything," we meant it – candies, games, presents, and even a dress-up competition. Halloween doesn't get any better than this, and all the happy faces prove it!

Halloween Fun Fair

Utter truth: Practice makes perfect, and it's especially true for speaking exam preparation. When caring teachers and diligent students from 3 schools join forces to engage in authentic discussions, success is all but guaranteed.

Joint-school Speaking Practice

They're eager to join, they're eager to learn, and most importantly, they are eager to show it off! In fact, they have been waiting for so long! Our students' wonderful performances really make us proud.

Speech Festival

Yes, the world is indeed big, but it doesn't need to be far away. When visitors from all around the globe brought the world right to our doorsteps, our students seized the opportunity right away to enjoy this unique learning experience.

Elegantia College has always adhered to the philosophy of home-school cooperation, and we strive to strengthen the relationship between parents, children and their education. To this end, we regularly organise various activities to help guide parents, and integrate them into the workings of the school. Our parents have displayed tremendous devotion and support to our parent volunteer team, interest classes, new year celebration activities and our 20th Anniversary Celebration.

風采中學一直秉承家校企合作的宗旨，為增強父母與子女關係而努力。為此，學校經常舉辦各類活動，引領家長走進學校，融入校園。風采家教會成員一直積極參與學校活動：家長義工、書法班、賀年活動以至二十週年校慶，均獲家長鼎力支持。

Student Union 學生會

Elected by each Elegantian, the Student Union facilitates students' holistic growth and school development by acting as a bridge between school management and their students. Each executive committee election is a journey of self-realization for all cabinet members, offering them countless opportunities to plan, organize and execute proposed activities. Each member shoulders the responsibility to inspire positive change on campus, passing down invaluable traits such as leadership, strong sense of morality, willingness to serve and the courage to surmount previous limitations.

風采中學學生會是由學生一人一票選舉產生的學生組織，作為學生與學校溝通的橋樑，肩負起協助學生成長及發展學校的重任。每年學生會選舉，學生內閣由籌組參選、策劃、實踐，經歷一場尋夢之旅。本校期望透過學生會培育學生具備領袖的品質和正向價值觀，以德服人，認真處世，勇於突破自己，並以服務他人為志向，從而成為楷模，力臻完善，感染他人。
